From the East

My Brothers:

We are still making Masons. It's a great thing to see them coming through the degrees. Our Lodge should be getting back on track again for 2025 and we have a few new Brothers getting into the line for Leadership roles. We are trying to get MLT classes lined up for our newer Mason and others that want to get in line for elected officers. Even if you don't want to get into leadership, completing MLT will help and assist in your knowledge during your Masonic journey. Let's endeavor to make this year a year of success.

Also another thing I would love to see is better participation in Lodge. I understand the cable-tow and things are going on in our everyday lives but I believe we can at least attend meetings and enjoy our fraternity to its fullest extent.

Lastly April 1st is my birthday as a mason. I along with Brother Stingle were raised as April fools in 2017.

Fraternally,
Steve Austin, PM

From the West

Brothers,

We are looking forward to another great year here at Beach Lodge. While we've had fewer active members compared to some of the other Lodges in the area in past years our attendance has been steadily increasing.

We are looking forward to raising more Master Masons in the coming year as well as making improvements to our degree work. I look forward to meeting with all of you as well as meeting with new and prospective members.

Fraternally and personally,

Brother, Erik Eckle

From the South

My Brothers:

I'm working with RW Tom Johnson to set up MLT classes to get our Brothers prepared to take on more responsibility in the Lodge. Any of you who may be interested in sitting in on any of the three MLT classes please let me know so I can include your names on RW Tom's list. BTW, it is unnecessary to take the three classes in any specific order, so if you have already had any of the three sessions, you may sign up to attend only those sessions you may still need. RW Tom is very easy to work with and his classes are always very interesting and meaningful. I strongly urge you to attend these very worthwhile classes.

I believe the guy was on to something when he said: "Time flies When You're Having Fun". And "Boy Oh Boy", are we ever having fun at Beach Lodge, the only thing that would make it more fun would be to have more Brothers to share the laughs. Brothers, take a hard look at your calendars and see if you can't squeeze in just two hours once a month to stop by and have dinner with us and attend our beautiful Lodge.

It's that time of the year again when we gather Masons from the entire jurisdiction to elect new Grand Lodge Officers and ballot on new legislation. Those of us who will attend would like to hear from any of you who may have an opinion about who you would prefer to have in office, or how you would like us to vote on legislation. You need to come to the lodge and let us hear your opinions.

All the best to all of you and all of your families, fraternally and personally

Michael Setzer, PGM

The moment has arrived for us to embrace technological progress and enhance our membership experience. Effective from April 6, 2023, Circumscribe will no longer be available, and we are transitioning to the Amity App, which aligns with modern technology trends.

Utilizing their smartphones, members can conveniently retrieve information through the Amity App. Additionally, a Member's Portal is in development, like the Secretary's Portal, enabling access to membership details and the opportunity to undertake Master Mason Exams. Although this feature is not currently active, its launch is approaching, and further details will be shared in due course.
