From the East

Brothers,

Heading into the dog days of summer we end the month of May with a special holiday. Memorial day is more than just a celebration of the death of our soldiers. There were a great many Brothers who have served, fought and died for this great country. Let's remember them all.

We are having more brothers moving through the degrees than there has been in a long time. It is refreshing to see even though there has been some degree work done by other lodges for us. I would like to get back to having enough volunteers to put these degrees together within our own lodge. What our other Brothers have done for us is very much appreciated by Beach Lodge. Let us strive to help and support them all.

Let us also remember our obligations to the fraternity and may peace and harmony be forever in our hearts and minds in these ever trying times.

Fraternally,

Steve Austin

Worshipful Master

Nothing Submitted

From the South

Brothers,

One Free and Accepted Mason petitioner, whom I visited, asked me at the end of our conversation why I became a Mason. My response? To become a better man by embracing values such as integrity, respect, and charity. Every individual Lodge has a charitable responsibility towards its community, I should have emphasized that it is an essential principle for every Mason.

In my response, I did not elaborate on my spiritual expectations. I did not mention to the petitioner that my interest in the oretical, meditative, and magical Kabballah was one of the reasons why I became a Mason. The only spiritual subject that I approached during our conversation was for me to make sure that the petitioner believes in God.

Was my answer then a cliché, I am still wondering?
aft.

Fraternally Yours,
Lesly Bazelais, Junior Warden
